Dear Students:

Welcome to South Seattle College! We hope you will find this handbook useful as you pursue your academic goals and dreams. This handbook provides you with “insider” tips, hints and suggestions from faculty, staff and graduates to help you reach your goals.

Your unique experiences and backgrounds enrich our college and community.

A few hints that we’ve learned from successful students:

1. Use as many support services as possible (from Advising to the Writing Center).
2. Get to know your faculty, staff and fellow students.
3. Stay in touch with your advisor or counselor.
4. If you need a little extra help, don’t wait. Talk with your instructor, check out the Tutoring Center, or visit the MAST (math and science tutoring).

As you start or continue your educational journey at South, remember that you can truly Start Here, Go Anywhere!

Best wishes with your future,

Rosie Rimando-Chareunsap, Ed.D.  
President, South Seattle College

Hello South Seattle College Students!

My name is Jeffrey Campbell and let me first say that it is truly an honor to serve as your United Student Association (USA) President for 2018 - 2019. I am proud to serve South Seattle College and its students; current, incoming, and alumni. Thank you for this honor.

In that capacity, I am committed to working with the USA Board consisting of 8 cabinet members, the College Administration, alumni, and leaders from other student organizations to meet the needs of the students and improve our campus. Paramount in this mission is a collaborative vision held by myself and my board that centers around the cultivation of a singular, defined identity for this campus and its students, the South Seattle College Otters!

*USA Mission Statement: “The members of the United Student Association (USA) are committed to nurturing our community by fostering a comfortable and supportive environment. We advocate for the needs and interests of the diverse student body at South Seattle College. We strive to accomplish this commitment by promoting and encouraging self-development, community involvement, and culture sensitivity.”*

Our connections to South Seattle College, whether that be as students, faculty, staff, administrators, or alumni, give us a common bond. It is my hope that my term in office will serve to preserve and strengthen that bond through spirit-driven initiatives and an acute focus on campus life.

We want you to get involved in the way that makes sense for you and for you to get the most out of your time here. For a time, this school is ours and it is our responsibility to be good (if not the best) versions of ourselves while we are here. Get involved and join a Campus Wide Committee! These committees are designed to ensure United Student Association involvement in issues/projects affecting the college in the short and long term, and to increase knowledge of the inner-workings of different departments on campus.

If there is ever anything that I, or my fellow board members of the USA can do to improve your college experience or strengthen your bond with this campus, please do not hesitate to contact me directly or stop by our offices anytime. Thank you again for this opportunity. Have a great year and Go Otters!

Sincerely,  
Jeffrey Campbell, United Student Association President

## Student Complaints

### WHAT IS THE COMPLAINT PROCEDURE?

The Student Complaint Procedure includes informal and formal complaints by a student against an employee of the college or another student. This procedure is designed to protect all individuals involved. The college has identified a Student Advocate who can assist students with the Formal and Informal Complaints process and a Complaints Officer who will facilitate any complaints through the formal procedure.

### WISH TO SUBMIT A COMPLAINT?

South's designated Student Advocate is Dan Johnson, Dean of Student Life.

If you wish to log any kind of complaint, you can learn more about the [complaint process here](#).

### WHERE CAN I LEARN MORE?

Please see [Resources and Help](#) for additional information.

## Student Conduct

Any institution operating with thousands of people must have rules, policies and procedures in place to protect and support a cooperative educational environment.

To maintain this environment, the college outlines a code of conduct that defines both misconduct and proper/appropriate conduct. A student's responsibility in maintaining a good environment is to:

- Maintain high standards of academic integrity
- Respect the rights of others
- Refrain from actions that endanger themselves or others
- Comply with civil authority

When these areas are violated and a simple and direct means of resolution is attempted and is unsuccessful, conduct proceedings may begin.

# Student Conduct & Rights

## Student Conduct Policy & Procedure

### 1. What is misconduct?

Misconduct is inappropriate behavior that affects the institution's pursuit of its educational objectives. See examples of student misconduct on page 11.

### 2. Who can report a misconduct issue?

Any member of the college community may file a student conduct complaint against any student when they believe a violation has been committed.

### 3. Who can I talk to if I have a concern or complaint?

Sometimes there may be a situation that causes a student to have a concern, suggestion or complaint. These resources are available:

- Counseling Services, Robert Smith Building, 206-934-5387
- Educational Support Services, RST 12, 206-934-5137
- Office of Diversity and Retention, JMB 133, 206-934-6455

### 4. How do I report a conduct issue?

• Student conduct incidents are reported to the Vice President of Student Services, Chief Student Conduct Officer, or to the Executive Assistant to the VPSS. The VPSS Office can be reached at 206-934-6788.

• Violations may also be reported directly to SSC Security as well as the police. SSC will directly report the incident to VPSS. Use 206-934-0911.

### 5. What if I have a complaint about a grade?

See page 30 for procedure information.

## Wish to Submit a Grade Complaint?

To submit a grade complaint contact: Dan Johnson, Dean of Student Life.

Contact Dan Johnson: [206-534-6749](tel:206-534-6749);  
[Daniel.E.Johnson@seattlecolleges.edu](mailto:Daniel.E.Johnson@seattlecolleges.edu)  
[Grade Complaint Report Form](#)

## Student Complaints are not the same as Student Misconduct

A "complaint" is defined as a good faith allegation based on personal experience or knowledge by a student or students that there has been a violation, misapplication, or misinterpretation of some service or rule as it applies to students in the institution by a staff or faculty member of the institution, resulting in loss or detriment to the complainant. The Dean of Student Life, located in the Jerry Brockey Building, serves as Ombudsman and is the first point of contact for students considering the submission of a complaint.

The Dean of Enrollment Services is the campus Complaint Officer and is located in the Registration Office in the Robert Smith Building. For more information regarding the Student Complaint Process, visit the Student Resources – Complaints Overview page located at: <http://www.southseattle.edu/student-resources/complaints-overview.aspx.50>

### 6. What is the process for student conduct violations?

A. When a report of a violation occurs, the VPSS Office will begin an investigation to determine the validity of the report.

B. The student(s) and witness(es) may be called for an initial interview.

C. The student will be notified of the violation, their rights and responsibilities and date of the Student Conduct hearing if the report and/or investigation results in allegations of violations of the student code.

D. After the hearing, the student will be notified of the decision and what if any, disciplinary sanctions apply. Sanctions may include warnings, reprimands, probation, suspension or expulsion.

During the conduct proceedings and pending sanctions, a student's enrollment status is not changed until a disciplinary action is issued by the VPSS Office. Students have the right to appeal certain sanctions imposed by the VPSS Office. The appeal letter must be received by the VPSS within 20 calendar days from notice and should contain a reason for appeal. Appeals are forwarded to the Student Conduct Appeals Committee which is lead by the Assistant Attorney General for the state of Washington.

# Closures

## School Closure Information

The college announces when it is closed, not when it is open. Visit the web at [www.flashalert.net](http://www.flashalert.net) for closure announcements. The following local/network stations will publicize messages we post regarding school closure during inclement weather, etc.:

**Television:** KCPQ, KING, KIRO, KOMO, NW Cable News

**AM Radio:** KIRO, KIXI, KLAY, KOMO, KRKO

**FM Radio:** Numerous stations

In the event of an emergency on campus, multiple ways will be used to communicate the situation:

- A pop-up message will appear on logged-on computers.
- Selected speakerphone telephones across campus will broadcast a message.
- The Campus Alerts system will be activated, sending e-mails and text messages to subscribers.
- The clock tower speakers may also be used to broadcast a message.

Closure information will be distributed in a number of additional ways. Please see the "About the Alert System" section below for details.

## About the Alert System

In the event of a weather-related delay or unscheduled campus closure, students and staff members will be notified via email. For students, messages will be sent to the email address that was used for registration.

In addition to receiving an email, students and staff can also receive a text message or a recorded message to a phone number regarding closure information. (This information is not sold to a third party) For those who do not wish to subscribe to this free service, closure information is available through South's website and social media on Facebook (South Seattle College) and Twitter (@SouthSeattleCC).

For staff, messages will be sent to their Seattle Colleges email address.

## Campus Closure Links

## Types of Closures

### SINGLE CAMPUS CLOSURES

In cases of closure due to weather-related emergencies such as snow, a decision and announcement regarding closure will be made by the individual campus, and relayed to the chancellor or her designee.

### DISTRICT-WIDE CLOSURES

In event of widespread or catastrophic emergency, a decision and announcement will be the same for all campuses and offices of the district, following discussion by the college presidents and chancellor (or their designees), or by the Emergency Communications Committee, as called for in the district emergency communications plan. Closure information should be available first on the Public Schools Emergency Communications System site at [www.schoolreport.org](http://www.schoolreport.org).

### Closure Announcement Timing:

- Evening classes/offices -- Conditions permitting, decision by 2 p.m.
- Day classes/offices -- Conditions permitting, decision by 5 a.m.
