Pathway: **Environmental Science**
Area of Study: **Science, Technology, Engineering, and Math**

Seattle Colleges is committed to accessibility. If support is needed in accessing the information within this document please contact access.south@seattlecolleges.edu.

Overview

This pathway is designed to meet Associate in Science Track 1 degree requirements with a concentration in Environmental Science. This pre-major pathway prepares you to transfer at the junior level to a four-year college to earn a bachelor's degree in environmental science or a related field. (Read program QR code to see more)

Estimated Length of Completion

Degree: Associate of Science - Transfer, Track 1 (LRST1AS)
6 quarters, Full time

Career Opportunities

- Environmental Scientist
- Marine Biologist
- Environmental Education Officer
- Environmental Engineer
- Nature Conservation Officer
- Environmental Engineer
- Recycling Officer
- Sustainability Consultant
- Waste Management Officer
- Water Quality Scientist
- Environmental Lawyer
- Environmental Consultant

Future Education

Once you complete this Associate degree, additional education opportunities include:

- A bachelor's degree in environmental science or a related field at a four-year college or university.
- A Bachelor of Applied Science (BAS) degree at one of the Seattle Colleges.

South Seattle College has direct transfer agreements with four-year institutions throughout Washington state, including University of Washington, Washington State University and Seattle University. Graduates from South have also transferred to out-of-state institutions.

Program and admissions requirements vary from college to college. Contact an advisor to create an educational plan tailored to transfer to the institution of your choice.

SOUTH SEATTLE COLLEGE

Pathway: **Environmental Science**
Area of Study: **Science, Technology, Engineering, and Math**

Get Started

Step 1: Apply and register at South Seattle College anytime (the application is always free). Once you become a student, register for classes using the online class schedule and go to the academic calendar for registration dates and tuition deadlines.

Step 2: See an advisor to create a personalized educational plan by the end of your second quarter. Your plan will include prerequisites, graduation requirements, and transfer preparation if you plan to transfer to another college or university to earn a bachelor's degree.

Tuition and Fees

Learn more about the estimated cost of attendance and general fees to attend college.

Financial Aid and Funding Resources

It's time to apply for Financial Aid for next year by completing either the FAFSA or the WASFA 2024-25.

Need help paying for college?

To apply for financial aid, including grants and scholarships you don't have to pay back, visit South's Financial Aid Department for details. Part-time and full-time students can qualify for financial aid funds.

Program Contact

New or Prospective Students: Please connect with the Welcome Center to discuss South's program options and for help navigating the Steps to Enroll.

Email: southwelcomecenter@seattlecolleges.edu
Phone: 206-934-7943

Current Students: Please connect with Advising to create an educational plan and discuss specific class offerings for your program.

Email: advisorsouth@seattlecolleges.edu
Phone: 206-934-5387

Advising Contact

If you are already registered for classes or a returning student, please see your primary advisor to create an educational plan. If you need assistance getting connected to the appropriate advisor, visit the Advising Center website .

Email: advisorsouth@seattlecolleges.edu
Phone: 206-934-5387

Sample Quarterly To-Do List

This is an example of a quarterly to-do list:

Quarter 1

- Schedule an appointment with your advisor in Starfish to meet and discuss your goals.
- Explore careers and majors through workshops, counseling, and WorkSource career services.
- Visit the Library to get help with research; check out resources; access computers and study space; and create media projects.
- Visit the Tutoring Center to learn about tutoring services offered in-person and online.
- Get involved on campus! Check out some of the resources, clubs and activities available to you through Student Life and TRiO, RST, and more!

Quarter 2

- Create an educational plan with your advisor.
- Research and develop a list of four-year colleges and universities.
- Attend transfer workshops and/or a transfer fair. Find more information on our Transfer Resources page.
- Apply for financial aid for the upcoming school year in Fall or early Winter Quarter to maximize your funding options.
- Visit South's transfer webpage for transfer information.

Quarter 3

- Update your educational plan with your assigned advisor.
- Attend a resume building or career workshop.
- Connect with potential universities (virtually or in person) and determine application deadlines.
- Research and apply for scholarships.

Quarter 4

- Update your educational plan with your advisor.
- Attend transfer workshops, including a personal statement workshop.
- Write your personal statement.
- Build relationships with faculty and staff at South to learn more about your pathway and future opportunities.
- Apply to universities or colleges and scholarships.

Quarter 5

- Apply for financial aid for the upcoming school year in Fall or early Winter Quarter to maximize your funding options.
- Apply to universities or colleges and scholarships.
- Explore internships in your major/career.
- Apply for graduation for your degree.

Quarter 6

- Check in with your university for transfer planning.
- Order cap and gown for commencement and join alumni association.
- Attend commencement ceremony.
