Seattle Colleges is committed to accessibility. If support is needed in accessing the information within this document please contact [access.south@seattlecolleges.edu](mailto:access.south@seattlecolleges.edu).

### Overview

This pathway is designed to meet Associate in Arts degree requirements while preparing for entry into a BSN program.

The nurse's role is more important than ever, as communities are in an era of health-care provider shortages. In fact, nurses make up the largest healthcare profession in the United States. They work in various settings, including clinics, hospitals, long-term care facilities, and community settings. (Read program QR code to see more)
