South Seattle College strives to create a welcoming and accessible learning environment for all students. For trans-identified students and those who identify outside the gender binary, the college provides all-gender/gender neutral restrooms at the specified locations.

Automotive Technology (AUT)

Two restrooms (single-stall) are located on the main floor in the northwest corner of the building. Five restrooms (single-stall) are located on the second floor at the west end of the hallway.
Please note: the AUT Building may be closed if classes are not in session.

Brockey Student Center (JMB)

Restrooms (single-stall) are near the north entrance, next to the campus bookstore.

Chan Education Center (CEC)

Restrooms (single-stall) have exterior entrances on the east side of the CEC Building.

Robert Smith Building (RSB)

Restrooms (single-stall) are near the MAST Tutoring Center in the President's Office lobby area.

Student Wellness Center (SWC)

Restroom (single-stall) is located in the main hallway, roughly halfway between the main entrance and the weight room.
