The Chinese Gardens examines anti-Chinese violence in the Pacific Northwest in the late 1800s and drawing connections between past and present race relations in the United States. The film examines early instances of racism against the Chinese in the U.S., from the Chinese Exclusion Act of 1882

South Seattle Community College does not discriminate against individuals on the basis of race, color, creed, national origin, sex, disability, or religion. It prohibits discrimination on the basis of veteran or military status or sexual orientation.
