

## REPORT

**To:** Board of Trustees

**From:** Quynh Nguyen, United Student Association (USA) President, South Seattle College

**Meeting Date:** April 11, 2024

**Subject:** Report – April Board of Trustees Meeting

### USA HIRING COMMITTEE 2024-25

USA is working proactively to hire the 2024-2025 student government team. Quynh Nguyen, USA President, is serving as the chair of the hiring committee and three other USA officers are assisting with marketing and selection: Treasurer Cameron Mahon, Communication Officer Amena Truong, and Marketing Officer Jessica Phan. The application deadline is April 12. Our hope is to hire eight new officers by May 15.

### 2024-25 USA BUDGET PROCESS

In February and March, USA Treasurer, Cameron Mahon worked with the entire USA leadership team and our advisor Monica Lundberg to submit our service and activity fee budget proposal for next year's team. We have voted on the final amount proposed to the S & A Fee Board of \$95,500 and submitted the proposal to the advisor of the S&A Fee committee.

### USA SPRING QUARTER MEETING TIMES

USA weekly meetings for the spring quarter will be held every Wednesday from 1:00 to 2:30pm in the Jerry M. Brockey Student Center (JMB 128).

### TITLE IX TRAINING

As student employees, USA officers are required to complete Title IX and Discrimination and Harassment Prevention Training on Get Inclusive. Our advisor Monica Lundberg collaborated with the Interim Director of Compliance, Lorine Hill, to provide a presentation at our March 6 meeting. We learned more about resources related to Title IX and updates from the district. We were provided with basic information of Title IX, how this policy is enforced at Seattle Colleges, what constitutes sexual harassment, and how to handle a situation in which someone, specifically students shared their situation, and where and how to find adequate resources within our community.
