

STUDENT LEADERS OF THE QUARTER- SPRING 2024

Jerome Price is originally from Houston Tx. The first one in his family to graduate from college. He is enrolled in the Wine and Marketing Sales and plans on getting a sommelier job at a fine dining restaurant and build capital to eventually own his own business.

Dee Escobedo is a Landscape Horticulture major and a lifelong learner, with higher educational enrollment in California and Mexico City. She has taught yoga, explored retirement and enjoys volunteering. During the pandemic, she re-evaluated her plans and discovered Biodynamic Agriculture and Gardening and eventually enrolled in the LHO Program in Landscape Horticulture at SSC. As a non-traditional, senior, challenged due to various responsibilities and positions concurrently held, it has taken three years to complete both the Certificate and the AAS Degree. She volunteers in the campus Garden Center and Welding Fabrication.

Quynh Nguyen is a Business and Finance major and the 2023-24 United Student Association Student Government President. She has served on numerous committees this year, including Student Fee Committees, Universal Technology, College Council, Faculty Tenure, Presidential Search Committee and more. She also works as a Pre-Calculus and Calculus tutor at the Math and Science Tutoring Center (MAST) and holds the position of Treasurer for Phi Theta Kappa (PTK), in which she received academic awards. After graduation, she will be attending the University of Washington (UW)
