

Work Study Job

Job Title:	Information Desk Assistant	Department:	Student Services
Hourly Rate:	\$19.96	Supervisor:	Quianna Kemp

Job Description

Role and Responsibilities

The Information Desk Assistants are people who help students, community members, staff, and faculty get connected to resources across the campus. The Assistants use exceptional customer service to help people feel welcomed and listened to. The Assistants support Student Services in communicating key resource information, while connecting students to the appropriate department(s) to best support their inquiry.

The Information Desk Assistants will support Students, Staff, Faculty, & Community by:

- Greeting people who enter the Robert Smith Building front lobby area.
- Connecting people to appropriate departments across campus based on the questions they have.
- Researching inquiries and connecting students to key departments with answers via phone, email, and in-person
- Maintaining the organization, materials, and cleanliness of the Robert Smith Building front lobby area
- Notifying departments via chat, email, or phone about inquiries received at the Info Desk
- Supporting student services departments in communicating student resources via phone, flyers, emails, and special projects for student success
- Keeping an eye on lost and found goods, recording them, and making sure their reported to the lost and found in Student Life
- Managing Emergency Situations by giving visitors direction and information to help in the coordination of emergency procedures, such as prompt reports of misconduct or fire drills.
- Data entry and record keeping by way of entering information into databases or systems on campus, such as visitor logs or student resource records.

Educational Benefits

Gain key knowledge of student resources across South Seattle College. Build relationships with department leaders who can provide references and key resources to be successful while in college. Developing translatable skills in customer service, organization, and communication that can be used in future career opportunities.

Preferred Skills

Dependability, flexibility, strong time management, customer service experience, strong interest in helping others, patience, and willingness to learn.
