## Job Description

### Role and Responsibilities

Looking for a job where you can give back, grow your skills, and be part of a welcoming campus community? The Georgetown Campus is home to Washington State's largest apprenticeship training center. This position puts you at the heart of student support—helping run the campus Food Pantry and greeting visitors at the front desk. You'll be supporting real people and making a real impact every shift.

- Help run our on-campus **Food Pantry**—organize donations, stock shelves, and support students who stop by
- Create a **welcoming vibe** at the front desk and direct students and community members to the right resources
- Get familiar with cool apprenticeship and pre-apprenticeship programs across industries
- Assist with projects and day-to-day operations that keep the Georgetown Campus running smoothly

### Educational Benefits

- Leadership and teamwork experience
- Practice your **communication and customer service** skills
- Learn to manage time, stay organized, and work independently
- Wants to grow confidence using email, Outlook, Word, and other tools (we'll support your learning!)
- Explore career pathways in trades, tech, and applied sciences

### Preferred Skills

- Enjoys working with people and **values inclusivity and kindness**
- Can ask questions, follow directions, and stay on task
- Brings attention to detail and a positive attitude
- Is curious about college and career pathways—especially hands-on careers
