6. Scheduled Guests

Wellness Center @ 2:05PM

- Fella Bryant, our EDI Officer, invited the Wellness Center to speak more about the process of renting the Wellness Center. But, because Fella was absent; we did not get the full clarity of what Fella wanted to know, and unfortunately left Wellness Center a little unknowing of what to talk about.
- Colby and Phung joined us in the meeting to discuss Rental Options and Funding and the fundamentals of those topics. We have learned that the Wellness Center is somewhat separate from SSC and needs its own fee from tuition to support itself along with the S&A fee. Needs adjustment of fees increasing, and once they get official numbers, they will come to USA again to run it by them.
- Questions were brought up between the difference between the Wellness Center Fee and the Campus Enhancement Fee, and the former was told to purely be for the wellness center, and campus enhancement to be like the

Game Room. Colby just recently got information regarding the budget but will come back with official numbers and proposals later.
