

**South Seattle College**  
**Associate in Business DTA**  
**Program Plan Code: BUCBUAA**

- Completion of at least 90 college-level (courses numbered 100 or above) credits with a minimum cumulative GPA of 2.0 is required (Note: GPA only includes courses taken at South).
- Minimum passing grade of 1.0 is required in all courses.
- At least 15 credits must be earned at South Seattle College.
- Courses may only be used once in Basic, Distribution & Elective requirements.
- Students should apply for the degree one quarter prior to the anticipated graduation date.
- Completion of degree does not guarantee admission to a university/major program nor that all general education requirements have been met.
- Admission for many business schools is competitive and a high GPA is recommended. Some colleges may require additional prerequisite courses for admission. Check with each school for specific requirements.

| Basic Requirements                                                                                                                                                                                                                          | 20 credits                                     |   |
