Heightened Racism During COVID-19: Discussion

11:30AM - 12:30PM

Since COVID 19, the API community has experienced heightened racist attacks, including hateful rhetoric and physical and social violence. Join us for a group discussion in a safe and supportive environment.

MAY
14

Mindfulness: Community Gathering & Activity

11:30AM - 12:30PM

Mental health and care is typically considered a taboo topic in API communities. During these uncertain and stressful times, take a quick break and join us for a virtual community gathering and discussion as we collectively participate in virtual guided mindfulness activities.

Census 2020: What It Is & Why It Matters

11:30AM - 12:30PM

The 2020 Census will provide informed data about the US population for the next decade. Historically, API communities have been misrepresented in census data. Join us for a presentation from U.S. Census Representatives, regardless if you've completed it or not yet!
