Pathway: Digital Art/Photography

About the Digital Art/Photography Pathway

This pathway is designed to meet Associate in Arts degree requirements with an emphasis in Digital Arts/Photography. Students who are artistic, good with technology, and are creative thinkers would be ideally suited for this pathway.

In this pathway, you'll learn the creative, technical and problem-solving skills to design visual graphics for print, web, video, social media, and more. Students pursuing this degree gain broad and basic knowledge and skills in principles of 2-D design, visual literacy, Adobe Photoshop, Adobe Illustrator, photography history, photography technology, operation of a digital camera, operation of a professional photographic quality printer, and more!

Length of Program

90 credits = 6 quarters if you take 15 credits* each term.

**Students who take 15 credits each quarter earn their degree faster, qualify for more financial aid, and earn more money over their lifetime because they complete their schooling faster.*

Which Quarter Can I Begin?

Fall, Winter, Spring, or Summer.

Class Times/Delivery Format?

Classes and labs are offered M-TH (2 days or 4 days a week) from 8am-4pm and in the evenings. We offer on-campus, online, or hybrid (part on-campus, part online) formats.
