- Get involved on campus thru Student Life
- Apply for free money with FAFSA or WASFA

**Quarter 3**

- Attend NA-C Information Session
- Update your Ed Plan with an advisor
- Attend a resume workshop

**Quarter 5**

- Attend ADN Information Session
- Apply to intended program(s), if meeting requirements
- Go through steps to enroll at your intended ADN program/school
- Re-apply for FAFSA or WASFA if transferring

# Pathway: Nursing Preparation for ADN

## About the Nursing Preparation for ADN Program Pathway

An Associate's Degree in Nursing (ADN) will give you a solid career foundation in the healthcare field. Popular among registered nurses (RNs), the ADN provides opportunities to work in entry-level nursing positions.

Students typically need to complete a minimum of 45 credits before they can apply for admission to an Associate Degree in Nursing (ADN) program. This pathway has been designed for students who wish to complete their prerequisite coursework for Seattle Colleges' Associate Degree in Nursing (ADN) program. This pathway should also work for other ADN programs in the area; please meet with an advisor to confirm.

In this pathway, you'll complete your general education prerequisite course requirements in areas such as biology, chemistry, math, English and psychology. The pathway also includes required co-requisite course work associated with Seattle Colleges' ADN program.

Upon completion of this course work, students will have an opportunity to apply for admission into Seattle Colleges' ADN program. Please attend a mandatory Nursing Information Session to learn more about other admission requirements needed for entry into the Seattle Colleges' ADN program: [www.healthcare.seattlecentral.edu/programs/nursing](http://www.healthcare.seattlecentral.edu/programs/nursing).

### Length of Program

60 credits = 4 quarters if you take 15 credits\* each term.

*\*Students who take 15 credits each quarter earn their degree faster, qualify for more financial aid, and earn more money over their lifetime because they complete their schooling faster.*

### Which Quarter Can I Begin?

Fall, Winter, Spring, or Summer.

### Class Times/Delivery Format?

Classes and labs are offered M-TH (2 days or 4 days a week) from 8am-4pm and in the evenings. We offer on-campus, online, or hybrid (part on-campus, part online) formats.

### Career Opportunities

- Registered Nurse
- Outpatient Care Nurse
- Personal Care Nurse
- Physician's Office Nurse
- Nursing Care Facility Nurse
- Pediatric Nurse
- General Medical and Surgical Nurse
- Hospice Nurse

A bachelor's or higher degree may be required for some careers listed above. For current employment and wage estimates, please visit the Nursing Preparation for ADN page on our website.

### Future Education Opportunities

Once you complete this Associate degree, additional education opportunities include:

- A Bachelor of Science in Nursing (BSN) or related degree at a four-year college or university.
- [A Bachelor of Applied Science \(BAS\)](#) degree in a healthcare field at one of the Seattle Colleges.

Program and admissions requirements vary from college to college. Contact an advisor to create an educational plan tailored to transfer to the institution of your choice.

### Approximate Costs Each Quarter

Tuition\* .....\$1550  
Books, supplies, and miscellaneous fees ..... \$200

*\*Tuition based on WA resident rates. Rates for international students and non-residents may vary.*

### Apply for Financial Aid

Did you know that the average student at South spends 3 hours applying for financial aid and gets more than \$4000 per year?

Visit [www.southseattle.edu/financial-aid/](http://www.southseattle.edu/financial-aid/) to apply for financial aid, including grants and scholarships you don't have to pay back.
