

SOUTH SEATTLE COLLEGE
Aviation Maintenance Technology (AMT)
Associate of Applied Science Degree (AAS)

AMT Class times: Monday - Friday either 7am - 1pm or 2pm - 8pm
 Program starts in Fall and Spring quarters

Flow Chart

Eligible to take the FAA Airframe exam after AMT 215

Eligible to take the FAA Powerplant exam after AMT 235

First FAA Certification requires General and Airframe or Powerplant.
Second FAA Certification requires only the addition of Airframe or Powerplant, whichever is remaining.

The FAA has mandatory attendance requirements in class which is 240 hours per quarter. No more than 18 hours may be missed per quarter and that time must be made up (see Aviation Calendar). In addition, the FAA requires that all students earn a 70% or higher on all exams to pass.
