eForms: Add/Change Form

Employee Services—DRAFT—4.16.2015

Additional Assignment: The Add/Change eForm is used to add or change assignments or 'jobs' for an existing employee. Examples of transactions that can be processed on the Add/Change eForm include:

- Converting an Hourly employee to a Classified Position
- Assigning Part-time Faculty to teach in the next quarter
- Extending the End Date of an Hourly Assignment

eForms: Seattle College District eForms are online employee transactions processed through an electronic workflow system.

Where do I start?

Your login and password are the same as your SCD email account alias and password.

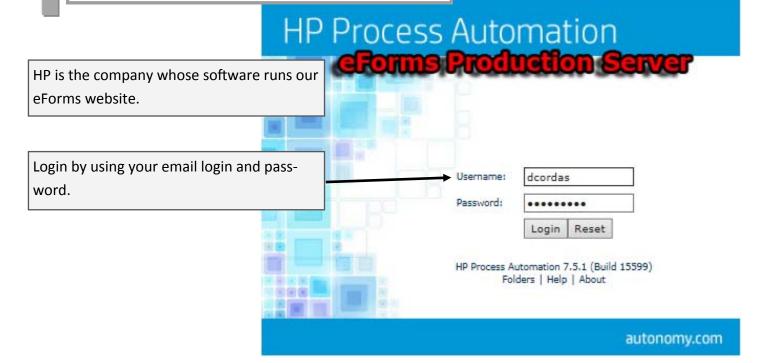

Need access? The Business Office at each college controls:

- Who is able to create eForms
- Who approves for each budget

Details/Appendix

The last two pages of this document contain an appendix listing the approval route, required fields and attachments for each type of transaction.

Review and Approval Process

Budget Admin Approver

- The first approver of the Additional Assignment eForm is the administrator assigned to the budget number.
- If an employee is being paid off multiple budgets which have different Budget Admins, each Budget Admin must approve. Each Budget Admin will be asked to approve simultaneously.

Part-Time Faculty Assignment

PROCESS#: 90182 CURRENT TASK: 90208 Budget Admins

Employee Information

Approving and Rejecting: After reviewing the job and pay information, scroll down to the bottom of the page to either 'Reject' or 'Approve' the form.

- **Rejected** forms are returned to the New Hire Coordinator queue assigned to the person who created the Additional Assignment eForm.
- Approved forms move on to the HR approval queue.

Business Office Approver

The Business Office approval is the second to last step.
