Request a new Prefix

This will be a common course

**Full Title:** Pacific Northwest History

**Abbreviated Title:** Pacific NW History

**Catalog Course Description:**

Investigates the history of the Pacific Northwest from earliest human habitation to the present. Focuses on Washington state and the Puget Sound, contributions by diverse populations, environmental developments, and the region's changing roles within the context of national and global developments.

**Course Length:** 11 Weeks

Request an Exception

**Topical Outline:**

Topics for an individual course will depend on instructor background and preferences, and according to the course syllabus, but will include most if not all of the following as they relate to the Pacific Northwest:

- Overview of Pacific Northwest regions' geography and earliest populations
- Exploration and early European-Native contact
- Early white settlement, missionaries, and the Oregon Trail
- Nineteenth century economic, technological, and social developments
- Statehood and other regional political developments
- Developments in society, education, the arts and culture
- Environmental and labor issues
- The impact of world wars and the Great Depression
- Postwar booms and busts
- Historical roots of recent issues
